

A close-up photograph of two children's hands clasped together. The child on the left is wearing a maroon shirt, and the child on the right is wearing an orange shirt. They are standing outdoors on a grassy field with trees in the background. The text "With autism, this is a breakthrough." is overlaid on the image.

With autism,
this
is a breakthrough.

Does your child have autism? Does he or she have difficulty socializing or talking with family and friends? If your child is 6 to 12 years of age, he or she may be eligible for ConnectMe, a clinical research trial of an investigational medication.

ConnectMe provides (at no cost):

- Study medication
- Comprehensive study-related evaluations
- Diagnosis and close follow-up with experienced physicians

*Now there's a chance to help your child reconnect to you and to the world.
