# **ABOARD is now Autism Connection of PA**

**We are excited to announce  
our new name and our new logo!**

**Why the name change? Simple. We wanted  
our name to more accurately reflect who we  
are and what we do. Our mission is to  
provide a lifeline to support families and  
individuals affected by autism. We give hope  
and information to families and professionals  
by connecting them with each other, and to  
the resources that enable them to navigate  
their unique challenges.**
